Dear Members,

ONE DAY JOINT SEMINAR OF SISSTA & SNSI – reg.

We are happy to inform you that SISSTA & S.Nijalingappa Sugar Institute are organizing an one day Joint seminar on “(a) **Economics and Technological Developments in Indian Sugar and Allied Industries – E4 (Ethanol, Economics, Environment & Empowerment)**” and “(b) **Innovations in Bio-energy: Sustainability, Environmental Impact and Financial Prospects**” on **05.04.2025 (Saturday) at S. Nijalingappa Sugar Institute, C.T.S.No. 4125/1B, Ganeshpur Road, Laxmi Tek, Belagavi -590009, Karnataka. (Ph. 0831-2472482).**

India is the second-largest producer of sugar in the world, contributing significantly to the global sugar market and also ethanol production is increasing year by year and reached to the level of 1000Cr liters and 20% ethanol blending target for 2025-26 is fixed by the Indian Government. Over the years, technological developments and economic policies have played a pivotal role in shaping the growth and sustainability of the sugar and distillery. Technological advancements have been integral in improving the efficiency and sustainability of the Indian sugar and distillery industry.

This seminar will be a common platform for exchange of views, experiences and information among the engineers, technologists, machinery manufacturers and suppliers. More than 300 delegates from all sugar, distillery, co-generation industries and research institutions are expected to participate including dignitaries from the Government departments.

We request you to take interest using your long service and experience to submit research technical paper on any one of the above subject for publication in the seminar proceedings and presentation during the seminar. **Please send your technical paper in soft copy of the word file by e-mail sissta68@gmail.com on or before 10.03.2025.**

➤ **Delegation Fee:** (inclusive of GST 18%)
