

**THE SOUTH INDIAN SUGARCANE & SUGAR TECHNOLOGISTS'
ASSOCIATION, CHENNAI**

&

COGENERATION ASSOCIATION OF INDIA, PUNE

Rc. No.37/SISSTA/Seminar/2026

Date: 16.02.2026

To:

All the Members of SISSTA &
Director / Unit Head / Technocrats from all Sugar Mills in India

Dear Sir / Madam,

Sub: Invitation to Participate in Joint Seminar on “Decarbonizing Industry Through Cogeneration and Bio-CBG Technologies” – reg.

As you are aware Bio fuels, are poised to play a crucial role in India’s energy transition. Sugar Sector has an opportunity to become the front runner in facilitating this transition through indigenous source of energy - helping achieve energy security which is prime most important factor as a nation while enhancing the income of the farmers and reducing GHG emissions.

India has the potential to be one of the largest Bio Fuels producers in the world due to availability of abundant biomass.

In a continuous effort to update the Sugar / Ethanol / Cogen Industry, **The South Indian Sugarcane & Sugar Technologists Association (SISSTA) & Cogen India** are jointly organizing the upcoming Seminar on “**Decarbonizing Industry through Cogeneration and Bio-CBG Technologies**”, focused on unlocking sustainable growth opportunities for the sugar sector in all over India. The captioned Seminar is being organized **on 25th March, 2026** at **Hotel Hyatt Regency, 365, Anna Salai, Teynampet, Chennai, Tamil Nadu** and also supported by National Federation of Co-op. Sugar Factories Ltd. New Delhi.

We are pleased to invite you along with your team to participate in the upcoming Seminar focused on unlocking sustainable growth opportunities for the sugar sector in India.

The seminar aims to bring together existing / prospective project promoters, key stakeholders, policymakers, technical heads, industry leaders and innovators in the field of renewable energy, particularly in the Green Energy sector to deliberate on practical pathways for transforming sugar mills into integrated energy hubs. The discussions will focus on:

- High-efficiency cogeneration upgrades and exportable power optimization
- Bio-CBG production from press mud and spent wash
- CBG Project implementation Challenges / Solutions
- Integration of sugar, ethanol, power, and biogas systems
- Policy landscapes and Government Initiatives
- Financing models, ESG opportunities, and carbon credit potential
- Feedstock Availability and logistics
- Case studies from Industry Leaders
- Panel Discussions and Networking

Cont...

We request you to take interest using your long service and experience to submit research technical paper on any one of the above subject for publication in the seminar proceedings and presentation during the seminar. **Please send your technical paper in soft copy of the word file by e-mail sissta68@gmail.com & cai@cogenindia.org on or before 10.03.2026.**

With increasing emphasis on decarbonization and sustainable industrial practices, this seminar aims to provide actionable insights to enhance operational efficiency, create additional revenue streams, and strengthen environmental compliance within the sugar industry.

The eminent speakers and technology providers from the industry shall share their views through this platform. We request you to avail benefit of this opportunity & please make it convenient to participate in this program.

Your participation will greatly enrich the discussions and contribute to shaping a forward-looking roadmap for the sector in all over India.

We look forward to your presence and kindly request you to nominate senior management and technical representatives from your organization.

Kindly arrange to mail the duly filled in registration form enclosed herewith along with participation fees on or before **20th March, 2026** to enable us to facilitate necessary arrangements. Spot registration can also be done at the registration counter of the venue. Further, we attach the **list of hotels with tariff details** for the convenience of the delegates to book accommodation.

Please feel free to reach us at sissta68@gmail.com / 9500120213 OR cai@cogenindia.org / 9890532178 for queries / additional information, if any.

Looking forward to your confirmation & participation.

With Best Regards,

Thanking You

Yours Sincerely,

for **South Indian Sugarcane & Sugar Technologists' Association**

for **Cogeneration Association of India**
